

**BOSCH**

Invented for life

HDP-ILN Induction Loop Neckband

- ▶ **Lightweight**
- ▶ **Used with 'T-coil' hearing aids**

Functions

This induction loop neckband can be used with:

- Integrus receivers
- CCS800 unit
- DCN unit

The neckband magnetically couples the sound signal from the headphone output to a 'T-coil' hearing aid.

Interconnections

- 0.9 m (3ft) cable terminated with a 3.5 mm (0.14 in) gold-plated plug
