

Interpretation equipment for Press Conference at Champions League

Teletech supplied equipment for several meetings

Three of Champions League football matches were played in Malmö, Sweden, where Malmö FF met Real Madrid C. F. and FC Shakhtar Donetsk and Paris St. Germain F.C., respectively.

Teletech supplied complete simultaneous interpreta-

tion equipment, that was used during the many press conferences both before and after the matches.

A technician from Teletech was always present during the events to ensure that all was running smoothly.
